The image displays a large grid of embroidery symbols used for cross-stitching. The grid is organized into four vertical columns labeled 120, 130, 140, and 150, and four horizontal rows labeled 200, 210, 220, and 230. The bottom row is labeled 240 and 250. Each cell in the grid contains a small, distinct symbol, such as a cross, a square, a circle, or a triangle, representing a specific stitch or needlework technique. The symbols are arranged in a regular, repeating pattern across the grid.
